Professional Summary

Motivated Diploma Engineer and current undergraduate with a solid foundation in backend development and project management. I excel at delivering projects on time while leveraging artificial intelligence to streamline planning and enhance problem-solving. My focus is on boosting productivity and fostering efficiency within my team, driving continuous improvement and shared success.

Education

Bachelor of Technology in Computer Engineering(Under Graduation)

Marwadi University (NAAC A+) 2023 - 2026

Diploma in Computer Engineering,

Swami Vivekananda Institute of Science & Technology, Kolkata 2019 - 2022

Technical Skills

- Programming Languages: Python, Java, C , C++, C#
- Web Development: HTML, CSS, JavaScript,
- Databases: MySQL, NoSQL (MongoDB)
- Tools: Git, XAMPP, Basic Office , Linux , Colab
- Other: Data science, Artificial intelligence, Machine Learning

EXPERIENCE

Tech Mahindra

Kolkata, West Bengal

Work in Vodafone Group PLC. Under tech mahindra group

2021-2022

- Business process
- Customer management

PROJECT WORK

Project: Real-time Chat API

- **Tech Stack:** Node.js, React.js, MongoDB
- **Description:** Developed a real-time chat application with user authentication, message persistence, and WebSocket integration for instant messaging.

Project: Modular Face Detection System

- **Tech Stack:** Python, OpenCV, Haar Cascade Classifier
- **Description:** Developed a real-time face detection system that supports both live webcam detection and video file processing.

Project: Federated Learning with Secure Gradient Aggregation Using Threshold Cryptography

- **Tech Stack:** TensorFlow Federated (TFF), Python, Shamir's Secret Sharing, Cryptography Libraries
- **Description:** Implemented a secure federated learning system that ensures privacy-preserving gradient aggregation using threshold cryptography.

CERTIFICATION

Database Programming with SQL – Oracle Academy

Issued by: Oracle Academy

October 8, 2023

NDG Linux Essentials Certification

Issued by: Cisco Networking Academy & Linux Professional Institute (LPI)

march2024

CCNA v7: Switching, Routing, and Wireless Essentials – Cisco Networking Academy

Skills: VLANs, Inter-VLAN Routing, STP, EtherChannel, IPv4/IPv6 Routing, WLAN Security, LAN Security, Redundancy Protocols

March 2024

AWS Academy Graduate - Cloud Foundations – AWS Academy Digital Badge (20 hours)

Issued October 2024

AWS Academy Graduate - Data Engineering – AWS Academy Digital Badge (40 hours)

Issued October 2024

SEMINARS

Seminar on "Saving Global Wildlife and Environment Using Advanced Technology"

- Explored AI, IoT, Blockchain, and Remote Sensing in conservation.
- Presented AI-powered surveillance for wildlife monitoring and poaching prevention.
- Discussed Blockchain for ethical wildlife trade and satellite imaging for deforestation.
- Covered smart grids, renewable energy, and AR/VR for public awareness.

SOFT SKILLS

- Research & Analytical Thinking
- Continuous Learning
- Research & Analytical Thinking
- Time Management
- Organization & Planning
- Multitasking
- Self-Learning & Skill Development

ADDITIONAL INFORMATION / CLUB MEMBERSHIP / AWARDS HONORS

- Member of Research activity club & Cloud Computing & DevOps Club (CCDC)
- Social Service Committee in lockdown or & Tree Plantations
- Interests : listening Music , reading books , Real world problem solving , maintain perfectness & discipline equality.
(Trying to out of the box thinking & doing asap)
- Languages Known: English | Hindi | Bengali
